

## ***Why a Summer Academy Open House Picnic?***

*We at Summer Academy (SA) know how busy our SA families are and that many of you are juggling many things, including getting your families ready to come to enjoy the Summer Academy Open House.*

*In that spirit of family, we have put together a picnic dinner that all ages can enjoy. One of our Summer Academy parents, DanTobias-Kotyk, who is a licensed caterer, has graciously offered to organize this picnic for us along with Columbia Heights Food Service Staff.*

*Because of our wonderfully diverse SA population, we are offering a variety of different hot dogs, along with chips, fruit, veggie and drink.*

*In addition, our "Pay to the Order Of" classes will be open for a treat after dinner at both sites.*
