

June 23, 2009

Dear Summer Academy Student(s) and Parent(s),

The second week of Summer Academy is underway, and this week includes an Extended Day on Thursday, June 25, among all the other exciting activities during the week.

Extended Day times are 8:00-2:30 p.m. The majority of classes are planning field trips on this day. Please plan to send a lunch with your child and review any instructions that your child's teacher has sent home. Please have your child wear their SA tee shirt on this day. SA tee shirt forms are posted on the SA website at www.northsuburbansummeracademy.com if you are interested in purchasing one.

The Summer Academy Open House and Dinner takes place next Wednesday, July 1. We have had a great response to the Summer Academy Open House Dinner again this year. Extra hot dog dinner forms can be found on the SA website and all forms are due this Thursday, June 25.

SACO foods will be receiving donations the evening of the open house again this year. Both food and money donations will be accepted. I have attached information regarding this community food shelf organization for your review. The SA community has been a strong supporter of this organization by making donations the evening of the open house. Please consider making a donation again this year.

Thank you for your consideration with the traffic in the morning and in the afternoon for pick-up. If your child needs a change in transportation pick-up after school, you are required to send a note with the details of that change. We watch to make sure all students are where they are supposed to be during the SA hours and traveling home. If there is a change that we do not know about, it can hold up the process of sending students home at the end of the day.

Next Monday you will receive another parent letter which will provide you information about the Open House, the Hot Dog Dinner, and parent evaluations of the Summer Academy. All letters will be posted on the SA website should the letter get misplaced between the SA and home.

We appreciate your support towards a successful Summer Academy this year.

Best Regards,

Mary Carlson Pap
North Suburban Summer Academy Director
