

## 2009 Summer Academy T-shirt

Summer Academy T-shirts are available for those students who wish to purchase them. No student should feel obligated to purchase one.

*The shirt is dark green with cream lettering.*

We will fill shirt orders on a first-come basis as long as we have shirts. Checks should be made payable to Summer Academy. The shirts will be distributed early in the Academy.

One check can be made to cover the total T-shirt family order, but for correct distribution, **we need a separate form for each Summer Academy student**. Please mail completed order form(s) and a check for the proper amount to:
